My name is Stas and I was born in 2006 in Penza, Russia. My father Denis was businessman and my mother Olesya was dad's secretary. There were four people in our family: my parents, my sister and me. My sister was usually very loudly and I'm too. I was happy at my school. I'm studied well and was quite good informatics and math. I was also good at sports, if we talk about school subjects, then especially in football and chess. I remember my best friends and my classmates Egor, Lev, Tixon, Danil. I'm also remember my favorite food – is's pasta. If we ask me about My favorite music artists now – I'm told Baby Cute – “#IChangedMyLifestyle”
